

EPSC 2017 Training session

Date, time, place

ESPC 2017 (<http://www.epsc2017.eu/>) will take place in *Riga (Latvia)*, 17-22 September

The training session (SMW1.3) is scheduled on Thursday 21 September, 14:00--17:30, in Mercury room

Programme

User training

- 14:00 - 14:30 VESPA overall description (S. Erard/Baptiste Cecconi)
- 14:30 - 15:00 VESPA query interface
- 15:00 - 17:30 Hands on and Q&A

(optional) extra data provider training

If data producers are present, additional data producing user perspective tutorials will be discussed, e.g. a subset of those on [VESPA implementation workshop 2016](#).

Relevant tutorials
