

# VESPA Mapping 2019

- [Agenda](#)
- [Registration](#)

## Instructions for Lightning Talks

Presenters are asked for a quick presentation (~5 minutes , 3-4 slides).

Authors are asked to prepare a A1 (maximal size 80 x 60 cm) landscape poster together with their slides, summarizing the content of the talk: supports will be provided and posters will be exposed in the conference room during the entire workshop, in order to facilitate discussions about the topics of the talk.
