

VESPA Document Register

This register contains documents internal to Europlanet / VESPA and distributed on this site. These include some milestones and deliverables of the programme, but not all. Check the [Deliverable page](#) if needed.

The VESPA Document Id is composed as follows: VESPA-NNN-AB, where NNN is the document number and AB is a 2 capital letter code:

- DD = Deliverable Document
- PL = Plan
- SS = Software Specification
- TN = Technical Note
- TP = Tutorial for Data Provider
- TU = Tutorial for User
